

Haseeb Javed

Front-End Developer

0312-3829277 | contactimhaseeb@gmail.com | linkedin.com/in/haseeb-javed
Karachi, Sindh, Pakistan

PROFESSIONAL SUMMARY

Self-taught Front-End Developer with expertise in building modern, responsive, and interactive web applications. Proficient in HTML, CSS, JavaScript, TypeScript, and modern frameworks including React.js and Next.js. Experienced in creating engaging user interfaces with TailwindCSS and advanced animations using GSAP. Committed to writing clean, maintainable code and delivering exceptional user experiences. Strong problem-solving abilities combined with discipline and consistency developed through parallel academic pursuits.

TECHNICAL SKILLS

Languages: JavaScript, TypeScript, HTML5, CSS3

Frameworks & Libraries: React.js, Next.js, TailwindCSS, GSAP (GreenSock Animation Platform)

Core Competencies: Front-End Development, Responsive Web Design, UI/UX Implementation, Web Animations

Tools & Technologies: Git, Version Control, RESTful APIs, Modern Web Standards, Cross-Browser Compatibility

Soft Skills: Self-Learning, Problem Solving, Attention to Detail, Time Management, Adaptability

KEY PROJECTS

Interactive Portfolio Website | *React.js, TailwindCSS, GSAP* 2024

- Developed a fully responsive personal portfolio showcasing projects with smooth scroll animations and interactive UI elements
- Implemented complex GSAP animations to enhance user engagement and create a modern, dynamic browsing experience
- Optimized performance achieving 95+ Lighthouse scores across all metrics through code splitting and lazy loading

E-Commerce Product Dashboard | *Next.js, TypeScript, TailwindCSS* 2024

- Built a scalable product management dashboard with server-side rendering for improved SEO and performance
- Integrated RESTful APIs for real-time data fetching and implemented state management for seamless user interactions
- Designed responsive layouts ensuring consistent user experience across desktop, tablet, and mobile devices

Animated Landing Pages Collection | *JavaScript, GSAP, CSS3* 2023-2024

- Created multiple landing pages featuring advanced scroll-triggered animations and micro-interactions
- Implemented custom JavaScript solutions for interactive features including parallax effects and dynamic content loading
- Ensured cross-browser compatibility and accessibility standards (WCAG 2.1) compliance

PROFESSIONAL DEVELOPMENT

Self-Taught Front-End Developer 2022 - Present

Completed comprehensive online courses and built 15+ projects

Karachi, Pakistan

- Mastered modern JavaScript (ES6+), React.js ecosystem, and Next.js framework through hands-on project development
- Studied advanced CSS techniques, responsive design principles, and animation libraries for professional-grade websites
- Actively contribute to open-source projects and stay updated with latest web development trends and best practices

EDUCATION

Faizan Online Academy

Karachi, Pakistan

Master's Degree in Islamic Studies

September 2019 - March 2027 (Expected)

- Developed strong analytical thinking, research skills, and discipline through rigorous academic study
- Successfully balanced technical skill development with academic commitments demonstrating time management
